

Nice Rack! On The Road With Katy To Kesha. Aphex's USB Rack 500 Makes Music Production Easier. And It's Carry On Luggage.

Katy Perry, Gwen Stefani, Glee, Kesha. They all have one thing in common: Musical Director Kristopher Pooley. After so many superstar events, he knows what performance really means. That's why he uses the Aphex USB Rack 500 when he's on the road. The USB Rack 500 is the most powerful and flexible 500 Series rack in the industry. With four slots, USB connectivity and Aphex HeadPod® headphone amps built in, it's sure to get more frequent flyer miles than you!
